Welcome

Hello

ABOUT MYSELF

My name is José Carlos. I'm 26 years old, I live in Gerena, and I'm currently studying at the institute

MY STUDIES

My education has always been focused on technology:

- ESO
- Medium degree of SRM
- Science Bach
- Currently Studying DAM

MY HOBBIES

In my free time, I enjoy playing video games, watching and playing football, and spending time with my family,

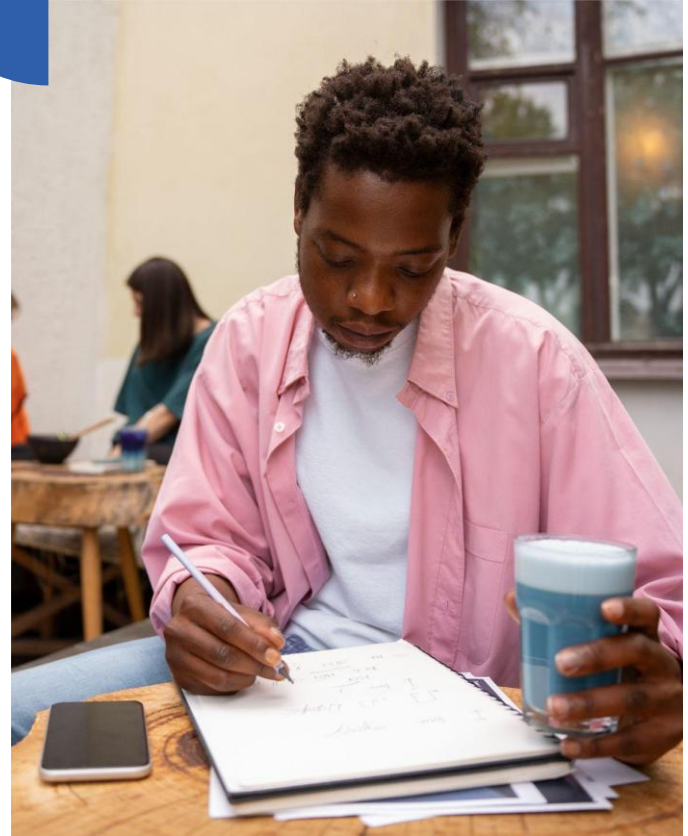

MY FAMILY

I live with my parents, and I also have a sister and a little niece. They have always supported me in everything I do, and they are a very important part of my life.

MY GOALS

Besides working as an application developer, my biggest dream is to become a professional football coach. Football is my passion, and I would love to help others learn, improve and enjoy the game.

A BIT ABOUT ME

When I was 15, I had to give up playing football due to a heart condition called SQTL. This was a change for me, not only because I had to step away from a sport I loved, but also because it affected my studies and daily life
